

§ 941.208

(1) For conventional or acquisition projects:

(i) Where the PHA purchases the real property through an arm's-length transaction (as described in 49 CFR 24.101(a)(1)), the seller's acceptance of the PHA's written offer to purchase the property (i.e., the seller's execution of form HUD-51971-II), provided the PHA later purchases the property; or such other date, as may be determined by the PHA with the approval of the HUD Field Office; or

(ii) Where the PHA's purchase of the real property does not qualify as an arm's-length transaction under 49 CFR 24.101(a)(1), the delivery of the initial written purchase offer from the PHA to the Owner of the property (i.e., the PHA executed form HUD-51971-II). However, if the PHA issues a notice of intent to acquire the property, and a person moves after that notice, but before the initial written purchase offer, the "initiation of negotiations" is the actual move of the person from the property;

(2) For turnkey projects, HUD Field Office approval of the PHA's proposal incorporating the developer's proposal, provided the contract of sale is later executed; or

(3) For major reconstruction of obsolete projects, the PHA's issuance of the invitation for bids for the project.

If the PHA proposes to use the acquisition method, the PHA must submit a certification by the PHA and owner that the property was not constructed with the intent that it would be sold to the PHA.
